David,

I am Mike's supervisor of record so I will need something written from either you or David P. The PARS that I have in place is for work done here. He will need to have a new PARS agreement in place.

I did not know that Mike's detail had been switched. Perhaps we can talk next week.

Thanks,

Lee

I was not going to do a mid-year with Mike. I will provide some input so the supervisor of record could do the mid-year. Hopefully, next week. Should I send this to you?

Thanks, David, for letting me know. How long was Mike working for you?

David Baker, can you let me know if you have put a PARS in place for Mike and if you are doing his mid-year?

Thanks, Lee

Lee, I am no long mike's supervisor or his BC. Mike has been reassigned from architecture work to other divisional work.

He performed very well when working with the EA team.

Please talk to David Baker who is Mike's supervisor regarding mid-year

Thanks for allowing Mike to detail.

David,

Are you doing Mike's mid-year and have you put a PARS in place for him for his detail?

Thanks,

Lee
